Power kills and impoverishes life. Billions of people live without freedom, as shown in Table 1.1, below. In the worst of these countries, they live in fear and insecurity. They are literally slaves, bought and sold, or the effective slaves of their governments. What is freedom is the choice to live one's life doing what one wants, live where one wants, eat by own choice and learn what one's heart desires. This means that freedom can apply to different aspects of life and freedom is not an absolute term. What freedom means to be able to go to school, walk around, and do almost anything without worrying about the safety of yourself and those you love. Unlike other...
